WISHED SHE COULD DIE

And Be Free From Her Troubles, but Finds Better Way.

Columbia, Tenn.—"Many a time," says Mrs. Jessie Sharp, of this place, "I wished I would die and be relieved of my suffering from womanly troubles. I could not get up, without pulling at something to help me, and stayed in bed most of the time. I could not do my housework.

The least amount of work tired me out. My head would swim, and I would tremble for an hour or more. Finally I took Cardui, the woman's tonic, and I am not bothered with pains any more, and I don't have to go to bed. In fact, I am sound and well of all my troubles."

Cardui goes to all the weak spots, helps to make them strong. It acts with nature—not against her. It is for the tired, nervous, irritable women, who feel as if everything were wrong, and need something to quiet their nerves and strengthen the worn-out system.

If you are a woman, suffering from any of the numerous symptoms of womanly trouble, take Cardui. It will help you. At all druggists.

ELECTRIC CIG SPARKLETS Items of Interest and Personal Mention Caught Over the Wireless on the Streets of Anderson

Tourist Season In Full Blast. The tourist season is on and every day there are several cars of visitors here, coming over or going to the mountains. Among those registered at the Chicopee last night were Mr. W. M. Stokes, of Atlanta, Mrs. H. H. New and Mr. C. F. New of Baltimore; N. O. Cromwell, L. H. Moore, W. T. Sheehan, Monticello; Mrs. Fambrough, Mt. and Mrs. Chas. E. Hill, Monticello.

Pratt King On Vacation. Pratt King, of Hartford, Conn., who has been here on a visit to his brother, Bob King, will leave tomorrow for Quincy, Ill., on a business trip for the Stanley Rubber and Lumber Company. Mr. King was greatly pleased to see so many improvements going on in Anderson.

Under Ground. The construction force putting the telephone cables under ground is making some headway. The conduits have all been laid and the cables will soon be run through them. The water of the cables and water mains has the streets of the city in very ragged appearance just at the time when so many visitors and tourists are going through.

Severe Attack of Colic Cured. E. E. Cross, who travels in Virginia and other Southern states, was taken suddenly and severely ill with colic. At the first store he came to the merchant recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. Two doses of it cured him. No one should leave home on a journey without a bottle of this preparation. For sale by all dealers.

Tennis Team Arrives. Australian Challengers for Davis Trophy Cup Arrive at New York. New York, July 17.—The Australian tennis team of challengers for the Davis Cup reached New York today aboard the Aquitania. Norman E. Brookes, captain of the team, and his wife, Anthony F. Willing, A. F. Dunlop and Mrs. Dunlop, and S. N. Doubt composed the party.

Headache and Nervousness Cured. "Chamberlain's Tablets are entitled to all the praise I can give them," writes Mrs. Richard Oip, Spencerport, N. Y. They have cured me of headache and nervousness and restored me to my normal health. For sale by all dealers.

Home Coming Week. Among the visitors in the city yesterday was Earle Sloan of Charleston, former state geologist. Mr. Sloan and family this week moved to Pendleton and are occupying their beautiful summer residence on the site of the old J. B. E. Sloan homestead. Mr. Sloan expects, as usual, to give a reunion dinner this summer to the survivors of the Fourth regiment, of which his father was colonel.

Enjoying Life. The gratification party which went up to Wallhalla Monday met up with Luther A. Brennecke. This golden hearted chap hasn't walked a step for 10 months, being crippled with rheumatism, but he rolls around in an invalid's chair and makes the world smile at his merry ways. He has been a great sufferer but never complains. At present he is making pen and ink sketches, several of which have been accepted by Life and other periodicals. He is working upon a hand-book to show roads, hotels and boarding houses on the Transmontana Highway. He proposes to make his home in Anderson during the fall.

Georgia Farms Demonstrator Here. C. E. Key, of Atlanta, demonstrator for the Georgia and Florida Farms company, is in the city. Mr. Key is a stockholder of his company, one of the largest real estate concerns in Georgia. He states that his company controls 180,000 acres of land in Jeff Davis and Coffee counties, and that an excursion will be run from Anderson to show these lands in the near future. While in the city, Mr. Key may be found at the office of the clerk of court, where he will have headquarters.

Returned From Wrightsville Beach. The trip given by the Southeastern Life Insurance company to Q. Frank Johnson, H. J. McGee, Geo. W. Spear and Jas. L. Farmer to Wrightsville Beach, has ended with the return of the above mentioned live wires, much to their regret, as the vacation was greatly enjoyed by them.

Much Encouraged. Some days ago it was announced that Jules H. Anderson, president of the Citizens National Bank, had signed an agreement with Geo. W. Evans and Mr. Marshall for the purchase of removing their respective building and rearing on the site a modern office building. Mr. Anderson has never made any promise that he would do so, but he is meeting with much encouragement in the preliminary work, such as securing rent contracts.

Offered City. One of the greatest needs of Anderson is a parking place for automobiles and hitching lot for country vehicles. Frank & DeCamp and C. S. and W. W. Sullivan will make the city an offer of a lot on South Main, free of charge, the only cost to the city to be the putting up of hitching posts. The lot is just south of the Anderson hotel block bought by the C. & W. C. road.

Street Blocked For Few Minutes. West Whittier street was blocked for 11 minutes yesterday by a string of truant cars on the C. & W. C. road. The yard crew did good work in clearing the tracks in such short order.

Brogan Boys Fought the Fire. The management of the Brogan Mill is very appreciative of the quick response of the Brogan fire department Thursday night. While the mill is said to have suffered no loss in the blaze in the drying room, yet there might have been trouble but for the response of the mill firemen.

Ballasting The Blue Ridge. The work of ballasting the Blue Ridge railway will be pushed in a systematic manner this year. Some of the weak spots are being ballasted now, and as soon as the road can get the stone the whole roadway is to be improved. This may require a year or more.

Severe Attack of Colic Cured. E. E. Cross, who travels in Virginia and other Southern states, was taken suddenly and severely ill with colic. At the first store he came to the merchant recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. Two doses of it cured him.
